

2016-2017 Juniors
PSAT TESTING INFORMATION

PSAT testing is required for all high school juniors. The test will be administered at FBS on Wednesday, October 19. Testing will begin at 8:00 a.m. Please make sure your student arrives to school on time.

The PSAT/NMQT (preliminary Scholastic Aptitude Test/National Merit Qualifying Test) is given each October nationwide. “The PSAT/NMSQT is the qualifying test that students must take to enter National Merit Scholarship Corporation competitions for college scholarships that will be awarded in 2016.” In addition, this test is excellent practice for the SAT and/or ACT that your child must take for graduation.

Note: The PSAT results are not sent to colleges and universities. Taking the PSAT, even if the student does not do well, will not hurt the student’s chance of getting into college.
